

Help Us Green Your Neighborhood!

Come help *Keep the Rez Beautiful* with a beautification project! We are planting trees on a vacant site along Spillway Road, and we need your help!

When: Saturday, March 24, 8-11:30 a.m.

Where: Vacant site on Scenic Dr. between Turtle Creek and Oak drives

- * Great opportunity for high school students' service hours!
- * Bring shovel and gloves (if you have access to them)!

* For more information on this project, visit www.keeptherezbeautiful.org.

About this project: Keep the Rez Beautiful, a local nonprofit, was awarded a \$2,000 beautification grant to enhance the Reservoir community. KRB held a charrette in September in which volunteer landscape architects worked with area landowners to develop a vision for this space. Now it's time to make this vision a reality!

Thank you, sponsors!
